Mark's house

My house isn't very big, but there is room for everybody. In my house there is a ground floor, an attic upstairs and a basement downstairs. In the basement, there is a playroom, a small gym and a garage. In the attic, there is a study and my mother's studio. She is a painter. On the ground floor, there is a hall, a bathroom, a small kitchen and a dining room, a living room and two bedrooms. My parents have got their bedroom and my brother and I share¹ a bedroom. Our bedroom is very cosy and modern.
